Dear Sir,

Sub: Report of the One –Day industrial visit to Miracle Software Solutions, Vijayawada

We students of III CSE were informed four days before that an industrial visit to **Miracle Software Solutions, Vijayawada** was scheduled. As instructed by our faculty we assembled at college by 9:00 a.m. Altogether 80 students boarded the two buses along with three Faculty members. Buses started at 5.00A.M and we reached by **Miracle Software Solutions, Vijayawada** 10.00 a.m. The Engineers there received us and we were taken to Development area.

We have seen the practically, how the automated editors are using in developing the Source Lines of Code and automation testing tools, they have explained us very clearly the Role of programming in software Development. The visit came to an end at 4.30 p.m.

We left the premises at 4.30p.m and came back to college. It was an informative, interesting and a successful visit. As students of Computer Science Engineering, We Have learned about the different Stages of Software Development Life Cycle. We express our thanks to the HOD, PRINCIPAL who permitted us to go on the visit, the faculty members who accompanied us and the officials who explained the various departments. Behalf the students we request you to arrange more industrial visit for the students which can practically train the students.

Thanking you

Yours Faithfully,

III CSE-students
