A Report of workshop on Big Data

(4 Aug 2014)

The Workshop on "**Big dtata**" organized by **Computer Science and Engineering** department on 4 Aug 2014 at **PEC**, where the students of pec and different colleges were present. The main objective of the workshop to give theory and practical knowledge with simple application . **Dr.N Harini**, Professor in CSE-SACET, was invited by the institution as speaker for one day workshop.

The event was held on 8 April 2014 with an overwhelmingly warm welcome address delivered by Prof. **S Sreenivasulu**, followed by words of motivation by **Dr. LAKSHMANA RAO**,Principal of PEC,welcomed our resource person Prof. Harini enriching association between us in the future. One of the students sang a melodious rendition to invoke the blessings of the Goddess of Enlightenment. The audience were inspired by the motivating words of Dr. LAKSHMANA RAO followed by the interesting talk by Prof. Harini.

Prof. Harini, conducted the workshop with power point presentation. He discussed algorithmic, theoretical and computational approaches.

Prof. Harini had interactive sessions with the Students on Big Data . He also has given the effective ideas on how to improve the skills in programming.

At the end of the workshop, few students gave their feedback, and explained how they were benefited. In the end, Prof. Harini was presented with token of appreciation by Principal Dr. LAKSHMANARAO for the reference and support in organizing this workshop.
