PRAKASAM ENGINEERING COLLEGE

KANDUKUR.

Dear Sir,

Sub: Report of the one Day site visit to precast manufacturing plant ONGOLE,NH-216.

We students of IV CIVIL were informed one day before that an industrial visit precast manufacturing plant ONGOLE,NH-216 was scheduled. As instructed by our faculty we assembled at college by 8:00 a.m. Altogether 53 students boarded the bus along with four faculty members and one Lab Assistant. Buses started at 9:00 a.m and we reached site of ongole,NH216 by 12.00 p.m The Engineer there received us and we were taken to control Room. We were divided into two groups, half the batch was explained about the control room operation. The remaining half was guided by a Sub Engineer present there to see precasted structural components. We have seen the practical construction of precasted beams and piers . They have explained us very clearly construction process. The visit came to an end at 2.30 p.m.

We left back to college premises by 5.00 p.m. It was an informative, interesting and a successful visit. As students of Civil Engineering, We Have learned about the construction of precasted members . We express our thanks to the HOD, PRINCIPAL who permitted us to go on the visit, the faculty members who accompanied us and the officials who explained the various departments. Behalf the students we request you to arrange more industrial visit for the students which can practically train the students.

Thanking you

Yours Faithfully,

IV CIVIL –students.
