A Report of Workshop on RS & GIS

(29 AUG 2017 to 30 AUG 2017)

The Workshop on "RS & GIS" organized by **Civil Engineering Department** from 29 Aug 2017 to 30 Aug 2017 at PEC, where the students of civil Engineering were present. The main objective of the workshop is to give a basic knowledge on RS & GIS. **Vasu Pendyala**, Technology Expert in Association was invited by the institution as speaker for two days workshop.

The event started on 29 Aug 2017 with an overwhelmingly warm welcome address delivered by the HOD V. Hari Kishore, followed by words of motivation by Dr. LAKSHMANA RAO, Principal of PEC, welcomed our resource person **Vasu Pendyala** enriching association between us in the future. One of the students sang a melodious rendition to invoke the blessings of the Goddess of Enlightenment. The audience were inspired by the motivating words of Dr. LAKSHMANA RAO followed by the interesting talk by **Vasu Pendyala**.

Vasu Pendyala, Technology Expert in Association with AP, conducted the workshop with power point presentation. He discussed all aspects of what is RS & GIS, Advantages of RS & GIS, Mapping, contour drawing & image processing and uses.

Vasu Pendyala had interactive sessions with the Students on applications of RS & GIS in civil engineering. He also has given the effective ideas on carrier opportunities in RS & GIS.

At the end of the workshop, few students gave their feedback, and explained how they were benefited. In the end, **Vasu Pendyala** was presented with token of appreciation by Principal Dr. LAKSHMANARAO for the reference and support in organizing this faculty Development programme.
