

A Report of workshop on Embedded systems

(31 aug 2017 to 2 sep 2017)

Work shop on “Embedded systems” **was** held from 31 aug 2017 to 2 sep 2017 organized by ECE Department prakasam engineering college, kandukur, where students of Engineering, and Management Sciences were present. The main objective of the workshop to have a gander at present educational framework and to give the quality and quantity output with the help of the some educational modules structures. **Mr.R.Vijay Kiran**, Prof in ece department SSN,Ongole, was invited by the institution as speaker for two days work shop.

The event started on 31 aug 2017 with an overwhelmingly warm welcome address delivered by Dr.Ravikumar, followed by words of motivation by Dr. LAKSHMANA RAO, Principal of PEC, welcomed our resource person **Mr.R.Vijay Kiran**, Prof in ece department SSN,Ongole. One of the students, sang a melodious rendition to invoke the blessings of the Goddess of Enlightenment. The other students were inspired by the motivating words of Dr. LAKSHMANA RAO followed by the interesting talk by **Mr.R.Vijay Kiran**.

Mr.R.Vijay Kiran, conducted the workshop with power point presentation. This workshop could help the students to a great extent in respect of their doubts in their respective fields, as number of students are facing lots of problems in the field of Embedded systems. This workshop helped the students to enhance their knowledge in the area of Embedded systems as these days there are lots of cases of Embedded systems. We are quite sure that this interactive workshop would make the students aware in this particular segment .

At the end of the programme, few students gave their feedback, how they were benefited. At the end **Mr.R.Vijay Kiran** was presented with token of appreciation by Principal Dr. LAKSHMANA RAO for attending this programme.
