The main objective of the workshop to have a gander at present educational framework and to give the quality and quantity output with the help of the some educational modules structures. **Mr.Vikas**, TECHNO TRAN ,was invited by the institution as speaker for two days work shop.

The event started on 9 mar 2018 with an overwhelmingly warm welcome address delivered by Dr.Ravikumar, followed by words of motivation by Dr. LAKSHMANA RAO, Principal of PEC, welcomed our resource person **Mr.Vikas**. One of the students, sang a melodious rendition to invoke the blessings of the Goddess of Enlightenment. The other students were inspired by the motivating words of Dr. LAKSHMANA RAO followed by the interesting talk by **Mr.Vikas**.

**Mr.Vikas**, conducted the workshop with power point presentation. This workshop could help the students to a great extent in respect of their doubts in their respective fields, as number of students are facing lots of problems in the field of uav-quaadcopter. This workshop helped the students to enhance their knowledge of the uav-quaadcopter as these days. We are quite sure that this interactive workshop would make the students aware in this particular segment .

At the end of the programme, few students gave their feedback, how they were benefited. At the end **Mr.Vikas** was presented with token of appreciation by Principal Dr. LAKSHMANA RAO for attending this programme.
