

REPORT OF INDUSTRIAL VISIT - KANDUKUR SUBSTATION

8-10-2017

Kandukur

To
The HOD
Department of EEE
Prakasam Engineering College
Kandukur.

Dear Sir,

Sub: Report of the One – Day (7/10/2017) industrial visit to Kandukur Substation

We students of II EEE were informed two days before that an industrial visit to Kandukur substation was scheduled. As instructed by our faculty we assembled at college by 10:00 a.m. Altogether 50 students boarded the bus along with Two Faculty members and one Lab Assistant. Buses started at 10.30 a.m and we reached substation by 10.30 a.m. The Engineer there received us and we were taken to control Room. We were divided into two groups, half the batch was explained about the control room operation. The remaining half was guided by a Sub Engineer present there. They were taken to switch yard. We have seen the practical Transformer Size, Protective devices, power input to substation etc, they have explained us very clearly in sequence of distribution and transmission from input to output of substation. The visit came to an end at 2.30 p.m.

We left the premises at 2.30p.m and came back to college by 3.00 p.m
It was an informative, interesting and a successful visit. As students of Electrical and

Electronics Engineering, We Have learned about the different equipments present in Substation. We express our thanks to the HOD, PRINCIPAL who permitted us to go

on the visit, the faculty members who accompanied us and the officials who explained the various departments. Behalf the students we request you to arrange more industrial visit for the students which can practically train the students.

Thanking you

Yours Faithfully,

II EEE -STUDENTS

V. Anil Kumar
