Dear Sir,

Sub: Report of the One – Day industrial visit to Metha Towers, Vijayawada

We students of II & III MCA were informed Five days before that an industrial visit to Metha Towers, Vijayawada was scheduled. As instructed by our faculty we assembled at college by 5:00 a.m. Altogether 35 students boarded the bus along with two Faculty members. Buses started at 5.15 am (Jun 25th) and we reached there by 10.0 a.m. The Engineers there received us and we were taken to Development area and explained about the Development of Software and software Testing present there.

We have seen the practical Software Analysis, Design, Development and Testing etc; they have explained us very clearly in sequence of steps in software Development Life Cycle from initial stage to Deployment. The visit came to an end at 3.30 p.m.

We left the premises at 4.30p.m and came back to college. It was an informative, interesting and a successful visit. As students of MCA, We Have learned about the different Stages of Software Development Life Cycle. We express our thanks to the HOD, PRINCIPAL who permitted us to go on the visit, the faculty members who accompanied us and the officials who explained the various departments. Behalf the students we request you to arrange more industrial visit for the students which can practically train the students.

Thanking you

Yours Faithfully,
II & III MCA-students
