Dear Sir,

Sub: Report of the One – Day industrial visit to **PEARLS DISTILLERY LTD**

We students of IV MECH were informed two days before that an industrial visit to **PEARLS DISTILLERY LTD** was scheduled. As instructed by our faculty we assembled at college by 9:00 a.m. Altogether 56 students boarded the bus along with Two Faculty members and one Lab Assistant. Buses started at 9.30 a.m and we reached substation by 10.30 a.m. The technician there received us and we were taken to control Room. We were divided into two groups, half the batch was explained about the control room operation. The remaining half was guided by a engineer present there. They were taken to plant. We have seen the practically how boilers are working etc, they have explained us very clearly. The visit came to an end at 2.30 p.m.

We left the premises at 2.30p.m and came back to college by 3.20 p.m it was an informative, interesting and a successful visit. As students of mechanical engineering, We Have learned about the different equipments present in thermal plant. We express our thanks to the HOD, PRINCIPAL who permitted us to go on the visit, the faculty members who accompanied us and the officials who explained the various departments. Behalf the students we request you to arrange more industrial visit for the students which can practically train the students.

Thanking you

Yours Faithfully,
II MECH –students
