## MEMORANDUM OF UNDERSTANDING (MOU)

### BETWEEN

Shikhara Embedded Solutions Private Limited,

Hyderabad AND

Prakasam Engineering College (Autonomous)

O.V. Road, Kandukur, Prakasam District, Andhra Pradesh 523105

### 1. PURPOSE

- This Memorandum of Understanding (MOU) is entered into by and between Shikhara Embedded Solutions Private Limited, Hyderabad, and Prakasam Engineering College (Autonomous), to establish a collaborative framework for providing Industrial Internships, Technical Workshops, Mini Projects, and Major Project Work for the students of the Electronics and Communication Engineering (ECE) Department.

- The objective of this MOU is to Provide students with industry-relevant exposure through internships and projects. Enhance their practical knowledge and technical competency through workshops and mentorship. Bridge the gap between academic curriculum and industry expectations.

## 2. SCOPE OF COLLABORATION

### a. Internships

- Shikhara Embedded Solutions will provide short-term and long-term internships for eligible students of the ECE Department.
- Interns will gain exposure to real-time industrial practices, development tools, and project execution workflows.
- Certificates will be issued to students upon successful completion of the internship program.

### b. Workshops

- The company will conduct technical workshops, seminars, and hands-on training sessions on emerging technologies.
- Workshops will aim to enhance practical skills, innovation, and employability readiness.

### c. Mini Projects

- The company will mentor mini project development for students, focusing on problem identification, design and prototype development.
- Guidance will be provided from concept design to successful project demonstration.

### d. Major Projects

- Shikhara Embedded Solutions will offer industry-guided major project work for final-year students.
- The program will include:
  - Project concept discussion and domain selection.
  - Design, development, and implementation under expert mentorship.
  - Regular progress evaluation and technical review.
- Upon successful completion, a Major Project Completion Certificate will be issued by the company.

### 3. ROLES AND RESPONSIBILITIES

#### Shikhara Embedded Solutions Private Limited:

- Provide industry-aligned project topics, internship opportunities, and training programs.
- Offer mentorship, expert guidance, and technical evaluation throughout the collaboration.
- Conduct periodic assessments, workshops, and reviews to track student progress.
- Issue certificates for completed internships, workshops, mini, and major projects.

#### Prakasam Engineering College (Autonomous):

- Nominate eligible students for participation in internships, workshops, and project programs.
- Coordinate with Shikhara Embedded Solutions for scheduling and communication.
- Provide necessary infrastructure and academic support for project execution.
- Encourage students to actively participate and maintain discipline throughout the program.

### 4. CONFIDENTIALITY

- Both parties agree to maintain confidentiality regarding any proprietary, technical, or project-related information shared during the collaboration. No party shall disclose any information to a third party without prior written consent.

### 5. VALIDITY AND TERMINATION

- a. This MOU shall remain valid for **Three years** from the date of signing and may be renewed based on mutual consent.
- b. Either party may terminate this MOU by providing a **written notice of at least 30 days** in advance.

### 6. DISPUTE RESOLUTION

- a. Any dispute arising between **Shikhara Embedded Solutions Private Limited** and **Prakasam Engineering College (Autonomous)** shall be resolved amicably through mutual discussion between the Principal of the College and the Authorized CEO of Shikhara Embedded Solutions.

## 7. SIGNATORIES

For Shikhara Embedded Solutions Private Limited

Name: P. Tejareddy
